coin master will provide free spin links and coin links for june 5 2022 so that you can use them to upgrade your village for free in this post you need to click on the links provided for june 5 2022 and claim your free prizes

**last but not least you can wait every hour that you wait you will get five pet master free spins adding up to 50 pet master free spins that means you should wait ten hours at most if you want to optimize for maximum spins**

**just like the spins on coin master the pet master free spins work the same way with each spin you can claim coins and valuable chests ranging from normal to rare these rewards can be used for multiple purposes in the game for example you can build your upgrade from your units villages buildings etc**

just like the spins on coin master the pet master free spins work the same way with each spin you can claim coins and valuable chests ranging from normal to rare these rewards can be used for multiple purposes in the game for example you can build your upgrade from your units villages buildings etc

apart from the game itself there is a section available where you can access a mini game this is similar to a small board game where you have to roll the dice if you manage to land on the right spot then you will nab yourself some nice rewards

to receive free rewards from the reward calendar simply access the app each day and you will receive a daily login reward in the game each day the payout amount increases and there are free spins cash and a magical chest to be found

aside from the game itself there is a section available where you can access a mini game this is similar to a little board game where you have to roll the dice if you manage to land in the right spot you ll get some nice rewards
