first just by simply playing the game and honing their skills in the city mycareer or play now online modes players will receive vc during their post game recaps nba 2k22 also frequently posts in game codes on their social media pages some of these codes when redeemed will grant players a nice amount of vc allowing them to profit from doing nothing the final best practice players can implement to earn free vc in the game is by watching an nba 2k tv video before playing a game if players answer the question that comes at the end of the video correctly then they will receive a chunk of vc

in this event you ll be given a question to answer when you answer it correctly you ll be presented with another question if you answer every single question correctly you ll be rewarded with a cut from the prize pool

this tool will ensure that locker codes are current valid and accurate this tool will provide a lot of vc to nba 2k22 this tool is available for both xbox as well as ps4 platforms you can get vc for free with any gaming account

while each edition is jam packed with content there s a reason why 2k is offering four different options which system you play on and the type of nba 2k player you are will be major factors in deciding which edition to purchase let s take a look at what each edition of nba 2k22 brings to the court

so no matter the edition you pre order they re skewing back the amount of vc players will get on day one this year but each pre order edition offers upgrades over the last in terms of boosts and other in game items such as myteam players
