before getting to the methods however we feel it s best to clarify a few things for one these methods aren t instant pathways to 100 000 vc with minimal effort instead these are generally just shorter form grinds that require less play time to accrue a healthy amount of currency the term glitch has been adopted by the community to describe these tactics but there s a lot more commitment involved than it appears if you re not willing to do lots of rinse and repeat for the extra money these glitches won t be worthwhile to you

money talks especially in games like nba 2k22 where virtual currency better known as vc is arguably the most impactful thing players can obtain vc allows players to better trick out their character with a variety of cosmetic

items such as animations clothing gear and haircuts most importantly though vc enables players upgrade their character s attributes
